

## **Prayer to St. Julie Billiart**

St. Julie, apostle for our time,  
Obtain for us the creative energy  
That impelled you  
To look beyond the limitations  
Of age, gender, custom, law and race  
In order to fulfill your dream.

We commit ourselves  
To your spirit of prayer and service  
That we too may walk in God's truth.

May all who follow in your footsteps  
Continue to proclaim the Goodness of God.  
May our lives of genuine faith,  
total love and vibrant hope  
Witness to God's presence in our world.

We offer this prayer in your name  
To God the Source of our being.  
May you intercede for us forever and ever.

Amen.
